

SWIM/DESE/MASWM SAFETY/FORKLIFT TRAINING

Once again this year SWIM, DESE, and MASWM are happy to announce and sponsor Regional Safety Trainings. These one day safety workshops are open to all Missouri Sheltered Workshops.

This one day safety training is specifically designed to provide you helpful tools which will assist you in managing safety and risk management within your workshop.

This year we will be offering the regional safety seminars at five different locations. The same curriculum will be repeated for two consecutive days to assist in allowing all workshop managers and supervisors to attend.

The following is a list of training locations:

Valley Industries	(St. Louis)	June 19-20
CMSE-Columbia	(Central)	July 16-17
JobOne-Grandview	(Kansas City metro)	Aug. 19-20
MAG Poplar Bluff	(Southeast)	Sep. 17-18
SWI-Springfield	(Southwest)	Oct. 29-30

The cost of the seminar is \$20.00. Lunch and Snacks will be provided.
